To: All Interested Parties

Dear Sir/Madam:

On November 15, 2001, the Air Resources Board (ARB or Board) adopted a regulation that established a distributed generation (DG) certification program as required by Senate Bill 1298. A provision in the regulation requires ARB to conduct an electrical generation technology review and report its findings to the Board by July 2005. ARB staff invites you to participate in a DG workgroup meeting on June 2, 2004 to discuss the 2005 DG technology review. Handouts for the meeting will be posted prior to the meeting on our website located at:

<http://www.arb.ca.gov/energy/dg/dg.htm>

Handouts will also be available at the workgroup meeting. The meeting will be held at the following time and location:

Date: Wednesday, June 2, 2004
Time: 9:30 a.m. to 12:00 p.m.
Location: Cal/EPA Headquarters Building
Training Room 1 - East and West
1001 I Street, First Floor
Sacramento, California 95814

You may attend in person or participate via teleconference. The following information is necessary to participate via teleconference:
